Section VII.

Technical Specifications

Bidders must state either “**Comply**” or “**Not Comply**” in each of the individual parameters of each Specification stating the corresponding performance parameter of the item offered. Statements of “Comply” or “Not Comply” must be supported by evidence and cross-referenced to that evidence or may copy the specification stated in verbatim if applicable. A statement of “Comply” or “Not Comply” that is not supported by evidence or is subsequently found to be contradicted by the evidence presented will render the Bid under evaluation liable for rejection. A statement either in the Bidder's statement of compliance or the supporting evidence that is found to be false either during Bid evaluation, post-qualification or the execution of the Contract may be regarded as fraudulent and render the Bidder or supplier liable for prosecution subject to the applicable laws and issuances.]

This form itself must be submitted.

Recopying is not allowed and may be a ground for disqualification.
